Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a Quayle action. Continuation of 4(e) Other: 37 CFR 1.121, Manner of making amendments in application:

Applicant is reminded that amendments to a claim must be made by rewriting the entire claim with all changes (e.g., additions and deletions) as indicated in this subsection, except when the claim is being canceled. Each amendment document that includes a change to an existing claim, <<<<cancellation of an existing claim>>>>(emphasis added) or addition of a new claim, must include a complete listing of all claims ever presented, including the text of all pending and withdrawn claims, in the application. The claim listing, including the text of the claims, in the amendment document will serve to replace all prior versions of the claims, in the application. In the claim listing, the status of every claim must be indicated after its claim number by using one of the following identifiers in a parenthetical expression: (Original), (Currently amended), (Canceled), (Withdrawn), (Previously presented), (New), and (Not entered). Also, Applicant is reminded that no claim text shall be presented for any claim in the claim listing with the status of "canceled " or "not entered. " Cancellation of a claim shall be effected by an instruction to cancel a particular claim number. Identifying the status of a claim in the claim listing as "canceled " will constitute an instruction to cancel the claim. It is noted that applicant canceled claims 8-11 in the response filed 2/14/2007 in the "Response to Restriction Requirement", but the listing of the claims does not indicate that these claims have been canceled. Applicant must indicate that claims 8-11 have been cancelled by including the proper status identifiers in the listing of the claims.
